Fox fights for you!

Galen continues fighting for our area's quality of life, for more open and green space, more jobs, better education, less crime, noise, and traffic. So far, he has successfully fought to increase parks, reduce prostitution and noise, preserve the Ala Wai harbor, on-street parking, and block "exclusive" bus lanes on Ala Moana and Kapiolani.

Qualified, competent, experienced.

Galen has served in the State House since 1996. As House Republican Leader for the past four years, he leads a Republican caucus that enjoys close working relations with our Governor. He earlier served as Republican Whip, and on the House Finance, Economic Development, and Tourism committees.

During 1991-96, Galen was a Department of Economic Development & Tourism division chief, and in 1985-91, Executive Assistant to Honolulu Mayor Fasi. In 1982-84, he was an East-West Center Research Fellow following 16 years as a U.S. Foreign Service Officer in Germany, Hong Kong, Taiwan, and Washington D.C. Galen speaks Chinese.

From Waikiki, for Waikiki/Ala Moana/Kakaako.

Galen was born in Hilo, spent his childhood in Waikiki, and attended the UH Lab School and Punahou. He graduated from the University of Redlands, and has a Ph.D. from Princeton University. He is a member of the Waikiki Improvement Association, his church's Executive Committee, and is an Aloha United Way volunteer. Galen, former National Secretary of his Foreign Service union, is endorsed by the UH Professional Assembly.
